

Ask Your Senators To Vote Against Trump's Court Nominees

Patrick Wyrick -- Protégé of former EPA Administrator Scott Pruitt who helped Pruitt take down environmental protections and fostered Pruitt's tight relationship with oil and gas lobbyists. Has a record of hostility towards health and safety regulations, environmental protection, consumer protection and workers' rights. Nominated for lifetime judgeship to federal trial court in OK.

John Campbell Barker -- As a state's attorney in Texas, Barker has opposed immigration rights, women's reproductive rights, same sex marriage and environmental protection. He has defended his state's voter suppression laws. With only 11 yrs of courtroom experience when the American Bar Association recommends a minimum of 12 yrs for a federal judge, Barker is *unqualified*. Nominated for lifetime judgeship to federal trial court in TX.
